## **THE SUN SENTINEL NAMES RESPONSIVE HOME CARE A WINNER OF THE SOUTH FLORIDA TOP WORKPLACES 2020 AWARD**

**Fort Lauderdale, FL- June 8, 2020** – Responsive Home Care has been awarded a Top Workplaces 2020 honor by The Sun Sentinel. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“For more than a decade, the Top Workplaces award has helped organizations stand out among their competitors to attract talent,” said Eric Rubino, CEO of Energage. “This differentiation is more important than ever in today’s tight labor market. Establishing a continuous conversation with employees so you have a deep understanding of your unique culture is proven to help achieve higher referral rates, lower employee turnover, and double the employee engagement levels. No longer is recognition simply a much-deserved cause for celebration, but it’s fast becoming mission-critical to establish a competitive advantage for recruitment and retention.”

**“This award means a lot to our company. Creating a culture of recognition and engagement has always been a goal of ours, and it is truly an honor to know that our employees were the judges and decision-makers behind this award.” Kisha Eloi, Human Resources Manager**
